

Devens™
Seating

Simple when it counts.
Sophisticated where it matters.

Devens means more.

Stylish design. Personalized comfort and fit.
Intuitive engineering. Smart economics.
Devens brings it all to the table.

Devens puts outstanding ergonomic performance within workers' reach by making the controls intuitive and easy to access. After all, ergonomic features help only when they can be understood and actually used. Robust construction, including smart features such as arm caps that resist impact and abrasion, proves that Devens will feel and look great for years to come.

Exceptional seating at an exceptional value, Devens can be configured to be used anywhere—from the reception desk to the open plan to the private offices—with remarkable ease.

Finely tuned for fit and comfort.

Ideal for focused tasks, leaning in to collaborate or a quick touch down, Devens easily conforms to each user. Back tension adjusts automatically in response to weight and movement. The back, seat, height, and arms all adapt with a touch.

The result? Effortless comfort with fitting support and reduced fatigue throughout the day.

Whatever the task at hand, Devens makes it easy to say yes to it all—with comfort and affordability in an eye-catching design.

Comfortable molded seat cushion and back design

Shaped to conform to the individual, Devens naturally provides an exceptional seat as well as lower-, middle-, and upper-back support to help prevent fatigue.

Weight-balanced synchro-tilt mechanism with multi-position back-lock (automatic tension)

Lock the back into place with easy-to-reach levers. Back tension adjusts automatically when the user reclines.

4-D arm height, width, depth, and rotational adjustment

Users can easily tune Devens' 4-D arms to their individual tasks, physical needs and personal preferences.

Body-conforming, height-adjustable lumbar support

Easily adjustable to each user's body, Devens supports the lower back for a full day's work.

Seat height and depth accommodate a variety of body types

With 4.75" of seat height adjustment, plus 2" of adjustable seat depth and more, Devens can comfortably accommodate approximately 95 percent of a diverse workplace population.

Devens provides an intuitive task seating experience with universal style and unmatched AIS quality. Devens incorporates the best in comfort and technology with intuitive features so users can quickly focus without compromising comfort or support.
